Please accept this catalog as your *personal invitation* to the Down East Angus Sale.

The consignors have put together one of the finest offerings we have ever had. Some top cow families and AI sires are included, but most of all, a group of cows that should work in any operation, purebred or commercial.

We are proud to have this association sponsored sale in eastern North Carolina and hope it continues for years to come. This will happen only with the help of consignors putting really good cattle in the sale AND the support of breeders buying the cattle offered.

We appreciate the consignors digging deep in their herds and we thank YOU, the buyers, for your commitment to the Angus breed and supporting this sale.

Hope to see you November 4th.

Roy Outlaw, Chairman

* Safe in calf to the Gold Hill herd sire and full brother to GAR INTEGRITY, GAR Prospector, due February 18, 2007. An outstanding bred heifer straight from the high quality replacement females at Gold Hill Angus. Willabar Countess 5112 records an individual %IMF ratio of 111 and records a UREA EPD that ranks on the top 10% of all non-parent females. Combine this with excellent growth EPDs and a MILK EPD that ranks in the top 20%, makes this female a unique breeding piece.
