PUREBRED ANGUS & COMMERCIAL ANGUS FEMALES GUIDELINES FOR CONSIGNMENT

CONSIGNMENT FORMS ARE DUE BEFORE AUGUST 15, 2011

Requirements for Purebred:

- All cows must be less than 8 years old on November 5, 2011. (Calved on or after November 5, 2003)
- All cattle born on or before November 5, 2009 **MUST** be safe in calf as determined by pregnancy examination OR nursing a calf.
- Body condition score of 6 or better. If you're not sure how your entries score, contact a member of the sale committee.
- All bull calves must have been born on or after March 5, 2011 (8 months old or less).

Requirements for Crossbred Heifers for Down East Sale:

- Only bred and open heifers will be accepted, **F-1 preferred.**
- Body condition score of 6 or better.
- At least one parent must be a registered Black Angus.
- Cattle must have typical beef type conformation (no visible dairy influence).
- Cattle must be absent of long, floppy ears and humps (no visible Brahman influence).

Requirements for Commercial Angus:

- All commercial cattle must be examined **SAFE** in calf or be nursing a calf.
- Commercial cows must be sound, less than 8 years old.
- Body condition score of 6 or better.
- Commercial cattle must also meet CAB Program Live Animal Specifications:
 1. Cattle must be predominately solid black (at least 51% of the hair coat is black).
 2. Black/ white face cows (Baldies) are acceptable.
 3. Cattle must have typical beef type conformation (no visible dairy influence).
 4. Cattle must be absent of long, floppy ears and humps (no visible Brahman influence).
- Cattle that are sired by Purebred Angus bulls and/or bred to Purebred Angus bulls may be accepted.

On Saturday, January 24, 2009 our board of directors voted to accept a resolution effective immediately regarding genetic defects in registered Angus cattle consigned to all North Carolina Angus Association sponsored sales. This resolution was amended at the July 25, 2010 board of directors meeting and again at the October 24, 2010 board meeting. The resolution now states:

Resolution to Ensure All Registered Angus Cattle Consigned to North Carolina Angus Association Sponsored Sale are Arthrogyposis Multiplex, Neuropathic Hydrocephalus, and Contractural Arachnodactyly Free

Effective January 1, 2011: all registered Angus cattle consigned to a North Carolina Angus Association (NCAA) sponsored sale must be identified as Arthrogyposis Multiplex Free (AMF), Neuropathic Hydrocephalus Free (NHF) and Contractural Arachnodactyly Free (CAF) by the

American Angus Association. For the purposes of this requirement, animals must be identified as AMF, NHF, and CAF or identified as "No Carrier Ancestor" by the American Angus Association. It is the responsibility of the consignor to provide documentation to support these requirements. This requirement included both live animals and unborn calves. In the case of an unborn calf, both the dam and sire must meet these requirements.

If you have questions regarding the resolution, please contact any member of the board of directors, the executive committee or a member of the sale committee.

ALL CATTLE ARE SUBJECT TO APPROVAL BY THE SALE COMMITTEE: Roy Outlaw, chairman: 919-222-9788; Lynn Byrd, 919-631-3314; John Smith, 252-568-4271; Russell Vinson, 919-778-5223; Bettie Garner, 919-631-3483; Steve Grady, 919-738-6500; Keaton Vandemark, 252-885-0210. The committee will review cattle at sale site and reject cattle that are not acceptable at that date.

Screening will be done between August 15 and September 1.

It is the responsibility of the consignor to provide footnotes to be included in the catalog!

CONSIGNORS MUST BE MEMBERS OF THE NORTH CAROLINA ANGUS ASSOCIATION.

If you pull your lot out of the sale after the catalog is printed, you forfeit your consignment fee. If your animal goes through the ring and you do not sell her, you share in the sales expenses.

CATTLE MUST BE IN THE FACILITY BY 3 P.M. ON Friday, November 4, 2011. Please have with you at that time: Up dated breeding information if different from catalog, original registration papers with breeding information included; if she is bred (date bred, if A-I; ALL pasture exposure dates if herd bull bred), registration number of the bull; name, date of birth, sire and dam registration number if you have an unregistered calf; be sure to have A-I certificate on file with AAA. If your registration papers are electronically stored, please have a paper copy for me to transfer; this will ensure that the papers are transferred in a timelier manner. North Carolina Angus Association requires you to have **Brucellosis and TB testing of each lot within 30 days prior to the sale.**

**NORTH CAROLINA ANGUS ASSOCIATION Consignment Fee: \$25 PER LOT
DOWN EAST SALE**
