

NORTH CAROLINA JUNIOR ANGUS ASSOCIATION

January 2012

Dear Potential NC Junior Angus Boosters,

The North Carolina Junior Angus Association is alive and well. We have some 35 active, excited, young people working with Angus cattle. Thanks to the help of our boosters, like you, these young people can have a wide variety of Angus experiences.

During 2011, the NC Juniors participated in many Angus events not only in North Carolina but also in the nation. The officers and advisors planned and carried out a State Show and participated in the LEAD (Leaders Engaged in Angus Development) Conference. This conference is a great way for our Juniors to learn about the Angus breed, Angus and other agricultural operations around the country, leadership skills, and make important industry contacts. North Carolina was also well represented at the North Carolina Junior Beef Round Up; the Atlantic National Preview Show; the National Junior Angus Show in Harrisburg, PA; the North Carolina State Fair; and the North American International Livestock Exposition as well as many county and regional fairs. Several NC Juniors traveled to Harrisburg this summer to show cattle and participate in many competitions such as photography, team sales, team fitting, judging, and quiz bowl. For the third year in a row, our CAB cook off team brought home top honors in their division.

The Juniors continue to serve delicious hamburgers and other beef dishes at various cattle sales around the state. We are very thankful to have the NC Angus Auxiliary provide us with homemade desserts to support us in this project. This activity, along with Booster money, helps provide opportunities for many young people to work with Angus cattle.

The North Carolina Junior Angus Association greatly appreciates your continued support. If you are interested in becoming a 2012 Booster, please complete the attached form and return it to Catherine Harward, NC Junior Angus Association Treasurer. Thank you for your support!

Sincerely,

Brooke Harward

Brooke Harward, President 2012

North Carolina Junior Angus Association

North Carolina Junior Angus Association Booster Membership Form

Name: _____

Farm Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____
