# NORTH CAROLINA ANGUS ASSOCIATION, INC.

## MEMBER SERVICES

*Provides a professional staff who supply or assist with member services and promotes North Carolina Angus cattle through:*

- Publishing articles about member farms in the North Carolina Cattlemen's Association publication, the Carolina Cattle Connection
- Publishing the member handbook, which contains information about members farms.
- Maintains a website containing information about members and provides members the opportunity to advertise.
- Having a booth at the N.C. State Fair with information about Angus cattle available.
- Providing promotional literature at the N.C. Cattleman's Association Conference and N.C. BCIP Bull Sales.

### *Sponsors Annual Field Days*

- Tours of facilities and cattle are offered as well as educational talks.

## *Marketing Assistance*

- Sponsoring and managing consignment sales.
- Provide sales services to members who have dispersal or production sales.
  - These services include advertising sales through flyers and newsletters, publishing catalogs, clerking the sale and transferring the registration papers. Costs for these services are borne by the owner of the farm.
  - Keeping a register of Angus Cattle for sale and providing that information to buyers who inquire about cattle for sale.
  - Advertising N.C. Beef Cattle Improvement Program Bull Test Sales.

### *Provides information and educational experiences for members.*

- Publishing informational newsletters bi-monthly with articles about events, sales and cattle production, as well as providing an opportunity to advertise.
- Sponsoring Association planned regional meetings and tours of member farms.
- Sponsoring Annual Meetings in January at which members learn more about their association, express their opinions and attend two or more Angus workshops.
